

- (e) Not only does the acceptance of false preaching allow entry into us by spirits of deception and error but also false **TEACHING**. (1 Tim. 4:1-5). This passage of Scripture warns that any teacher can sow (spirits of) error into the souls of their students, which may result in backsliding from the faith.
- (f) And, of course, even the great **apostle Paul** admitted that **"no good thing dwells within me, that is, my flesh!"** (Rom. 7:18).

The bottom line is that **EVERY** Bible believing leader needs to distinguish between genuine misinterpretations of God's Word and hypocrisy, most of which, I hope, is unintended.

In these challenging days the good Lord is going to open up His Word to us like never before. We will all need teachable hearts!
